

EARTHTREK EXPEDITIONS

South Fork American River

2 day weekend rafting adventure

Class III, 21 miles

Welcome to EarthTrek Expeditions whitewater rafting trip on the American River. We hope you have a wonderful time. Please read through this information carefully as it will better prepare you for your exciting trip and if you have any additional questions simply contact EarthTrek Expeditions and we will be happy to answer them.

Our two day trips include 2 nights camping so you can arrive anytime after 6 PM on the evening before your raft trip starts at our private camp on the South Fork American River in Lotus (see map on following page). Please Note: If you arrive prior to 6 PM we may ask you to wait to set up your camp as we may be watering our lawn or cleaning rental camping gear. Your patience is appreciated.

When you arrive at the camp please check in at our Camp Store or follow the directions posted on our bulletin board behind the Camp Store. If you are arriving late please respect other campers trying to sleep in the lower camp area. Quiet hours begin at 10 PM. If you wish to stay up after 10 PM to socialize with your friends we do ask that you do so only in the Upper Camp area where there are tables with lights. Your co-operation is greatly appreciated.

Your trip will begin the next morning with breakfast served at 8 AM followed by our trip orientation meeting in our amphitheater at 9:30 AM. If you must arrive in the morning we ask that you arrive no later than 9:30 AM.

Out trip concludes on Sunday at about 2:30-3 PM.

Additional Information

WEATHER: During the summer months you can expect warm, sunny days with temperatures from the 80's to the low 100's. Summer evenings cool to the low 60's (expect night time temperatures in the 40's or 50's during the Spring or Fall. While rain is not expected it is always a possibility anytime during the year. During the Spring and Fall we can normally expect higher water flows and cooler air temperatures so pack accordingly.

CAMERAS: Cameras are OK to bring but we do not recommend taking them on the rafts unless they are a waterproof type. Inexpensive one-time use waterproof cameras are best and we have these available at our camp store. You will have the opportunity to purchase a photograph, taken by a professional photographer, of you running the biggest rapids.

GRATUITIES: Our guides work very hard to see that your trip is a memorable experience and they are compensated for their services. If you feel your guide went the extra mile to make your trip special, a gratuity would be very much appreciated. As a guideline, 5-10% of the trip cost per person would be very generous and greatly appreciated.

Plan your vacation around the American River

The American River is located in the beautiful foothills of the Sierra Nevada Mountains, located close to many scenic and interesting places to visit including Lake Tahoe, Yosemite, Napa Valley, Gold Rush towns and San Francisco. Check out the wineries in El Dorado and Amador Counties, or visit the train museum, Sutter's Fort or the capitol building in Sacramento. It's all here, close to the American River. As an option, you can extend your stay at EarthTrek Expeditions by booking additional nights camping and use our camp as a base for exploring our beautiful part of California.

Permits EarthTrek Expeditions operates under permits issued by the U.S. Forest Service, U.S. Bureau of Land Management, California State Parks and El Dorado County. An El Dorado County ordinance requires the following notice: "Water flows in the South Fork American result from releases from facilities located upstream. Such water releases are not subject to the controls of El Dorado County or commercial rafting companies operating under permits from El Dorado County".

Cancellation Policy Please understand that when a reservation is made with EarthTrek Expeditions it is a commitment for us to hold space for you and possibly turn others away from that particular trip date. If you decide to cancel, it can be difficult for us to rebook a trip, especially cancellations close to the departure date. With this in mind the following cancellation/refund policy must be strictly adhered to. If you must cancel your reservation more than 60 days prior to the trip departure date, you will receive a refund less a \$25 per person cancellation charge. EARTHTREK EXPEDITIONS, INC.

RELEASE OF LIABILITY AND ASSUMPTION OF RISK AGREEMENT

This is a release. Read it carefully and sign below. This release essentially says that I know I am going on a whitewater rafting trip - not an amusement park ride. If I die, get hurt, or damage my belongings, I will not make a claim, sue or expect EARTHTREK EXPEDITIONS, INC, its owners, operators, agents, employees, and associates including the State of California, its Department of Parks and Recreation, the United States Bureau of Reclamation, El Dorado County, Pacific Gas & Electric Company, Placer County Water Agency and Sacramento Municipal Utility District, herein referred to as releasees, to be legally responsible or pay for any damages.

I, the undersigned, hereby acknowledge that I have voluntarily chosen to go on this whitewater rafting trip with EARTHTREK EXPEDITIONS, INC. I know and fully understand that a whitewater rafting trip, whether on a paddle raft, an oar raft, or any other type of vessel, is an outdoor adventure activity with inherent risks and hazards where serious accidents can occur, participants can die, sustain injuries, and property damage. I acknowledge and willingly assume all risks and hazards in whitewater rafting and river related camping, included but not limited to, loss of control of the raft, collision with other participants, rocks, trees, and any portion of the interior of the raft, other rafts and any manmade or natural obstacles, whether they are obvious or not, submersion in water, drowning, encounters with animals, wildlife and insects, exposure to extreme temperatures and inclement weather, wilderness terrain and unavailability of immediate medical attention in case of injury.

I understand that Class 4 and 5 represent the most difficult and dangerous levels of whitewater and recognize that the risks associated with whitewater rafting are increased. I further understand and acknowledge that EARTHTREK EXPEDITIONS, INC. provides foot cups in some of its boats to assist participants in stabilizing themselves. Although foot cups assist participants from falling out of the boat, the use of foot cups may present an increased risk of knee, ankle, or other injuries because of their restrictive nature. Use of foot cups is totally voluntary. My participation in this activity is purely voluntary and I elect to do so at my own risk.

In consideration for EARTHTREK EXPEDITIONS, INC. allowing me to participate on this trip, I voluntarily agree to release, discharge, and hold harmless EARTHTREK EXPEDITIONS, INC and the releasees, their owners, officers, agents and employees for any and all claims of liability arising out of their negligence, recklessness, strict liability, breach of contract, or any other act or omission which causes the undersigned illness, injury, death, and damages of any nature in any way connected with my participation in this activity. I also expressly agree to release and discharge EARTHTREK EXPEDITIONS, INC and the releasees, their owners, officers, agents, and employees from any act or omission of negligence in rendering or failing to render any type of emergency or medical services. In signing this document, I fully recognize and understand that if I (or any minor on whose behalf I am signing this release) am hurt, die, or my property damaged, I am giving up my right to make a claim or file a lawsuit against EARTHTREK EXPEDITIONS, INC. and all other parties and affiliates named herein even if they negligently or by some other act or omission cause the injury or damage.

As parent or legal guardian of a participant under 18 years of age, I have read and voluntarily agreed that said minor may participate in this whitewater rafting trip, and I sign this release on their behalf. In addition, I give EARTHTREK EXPEDITIONS, INC., the State of California, its Department of Parks and Recreation, the United States Bureau of Reclamation, El Dorado County, Pacific Gas & Electric Company, Placer County Water Agency and Sacramento Municipal Utility District permission to treat said minor in case of illness, injury, emergency, or accident. Should emergency medical services become necessary, for the undersigned participant or minor, the expenses are the sole responsibility of the participant and not that of EARTHTREK EXPEDITIONS, INC. nor its releasees. Personal medical and travel insurance is strongly advised.

The venue of any dispute that may arise out of this agreement or otherwise between the parties to which EARTHTREK EXPEDITIONS, INC. or its agents is a party shall be either the city of Placerville, California or the County or Supreme Court in El Dorado County, California.

EARTHTREK EXPEDITIONS, INC. reserves the right to accept or deny service to any person. I hereby agree to follow all rules, regulations, and instructions of EARTHTREK EXPEDITIONS, INC. while on this trip. I also certify that I and any minor on whose behalf I am signing, are physically and mentally capable of participating in these activities. I hereby agree that EARTHTREK EXPEDITIONS, INC. may use film or photographic records of this rafting trip for its promotional and/or commercial purposes.
