

WEDDINGS on the RIVER

at EarthTrek Expeditions on the South Fork American River

Dramatic setting for that special occasion on the banks of the American River in the Sierra Gold Rush Country

The ceremony takes place on a deck with the American River flowing gracefully in the background.

Our outdoor setting is spectacular but if the weather turns foul we have you covered with two large tarped multi-use areas

With 40 years of experience catering to nearly 100,000 rafting guests we can provide a delicious buffet dinner of barbecued tri-tip and chicken, baked potato, stir fried vegetables, bread, and a variety of salads.

If your wedding guests are staying at our camp we can provide additional breakfasts, lunches and dinners during their stay.

Our accommodations include 20 cabin tents with bunk beds sleeping more than 150 people, 6 river tents with spectacular views of the river and an air-conditioned cabin with a sink and queen murphy bed, perfect for the wedding couple.
