## Checklist of What to Bring and Optional Rental Camping Gear

### ✓ Checklist of what to bring

Following is a list of suggested items to bring on your rafting trip. On overnight trips all of your gear will remain at our South Fork Base Camp. Because gear is never carried on the rafts you are welcome to bring as much as you feel you need.

#### While on the river

- ☐ Swim suit or shorts
- ☐ Proper foot wear that protects your feet just in case you swim. Tennis shoes or wet suit booties are best. Teva® style sandals that securely strap on your feet are OK but they do not give you the best foot protection. Flip-flops or bare feet are not allowed on the river.
- ☐ Cap or visor with chin strap
- ☐ Sunglasses with secure headstrap such as Croakies. ®
- ☐ Sunscreen and lip ointment. Warning: do not put sunscreen on forehead or back of legs.

#### If cool or inclement weather is a possibility we recommend the following items

- ☐ Wetsuit and booties. Note: will be provided when needed
- ☐ Polypropylene, wool, capilene or synthetic fleece clothing that will insulate even when wet.
- ☐ Wool socks, hat and gloves
- ☐ Waterproof rain gear or paddle jacket (provided when needed).

**REMEMBER: Do not wear cotton as it will make you colder when wet.**

- ☐ Tent (small backpacking style best) **SEE RENTALS BELOW**
- ☐ Lantern or Flashlight with extra batteries
- ☐ Extra dry clothes for after rafting
